

### RESEARCH METHODOLOGY CODES

This is a list of Research Methodology Codes available to potential consultants. No more than seven (7) codes may be selected.

- |   |  |  |
|---|--|--|
| <input type="checkbox"/> <b>R100</b> Classification, Taxonomy, Typologies         | <input type="checkbox"/> <b>R110</b> Interviews (Structured/unstructured)                | <input type="checkbox"/> <b>R119</b> Ordinary Least Squares    |
| <input type="checkbox"/> <b>R101</b> Costs/ Benefits, Cost-effectiveness Analysis | <input type="checkbox"/> <b>R111</b> Legal Research                                      | <input type="checkbox"/> <b>R120</b> Probit Analysis           |
| <input type="checkbox"/> <b>R102</b> Count  | <input type="checkbox"/> <b>R112</b> Logit Analysis                                      | <input type="checkbox"/> <b>R121</b> Scaling and Psychometrics |
| <input type="checkbox"/> <b>R103</b> Discriminant, Factor, Cluster Analysis       | <input type="checkbox"/> <b>R113</b> Longitudinal, Time Series, Cohort, Panel Analysis   | <input type="checkbox"/> <b>R122</b> Spatial Analysis          |
| <input type="checkbox"/> <b>R104</b> Econometrics                                 | <input type="checkbox"/> <b>R114</b> Math Modeling, Simulation, Dynamic Systems Analysis | <input type="checkbox"/> <b>R123</b> Survey Design             |
| <input type="checkbox"/> <b>R105</b> Ethnography                                  | <input type="checkbox"/> <b>R115</b> Meta-Analysis                                       | <input type="checkbox"/> <b>R124</b> Tobit Analysis            |
| <input type="checkbox"/> <b>R106</b> Experimental Design                          | <input type="checkbox"/> <b>R116</b> Network Analysis                                    |  |
| <input type="checkbox"/> <b>R107</b> Geographic Information System                | <input type="checkbox"/> <b>R117</b> Neural Nets   |  |
| <input type="checkbox"/> <b>R108</b> Historical Analysis                          | <input type="checkbox"/> <b>R118</b> Non-Parametric Statistics                           |  |
| <input type="checkbox"/> <b>R109</b> HLM  |  |  |

<b>R200</b> Other ( <i>please specify below</i> ) _____ _____
